PETITION FOR FILING BY OTHER THAN ALL THE INVENTORS UNDER
37 C.F.R. 1.47(a)

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

Applicant, Dr. Kent R. Van Kampen, hereby petitions the Commissioner to accept the filing of the above-identified U.S. Patent Application by other than all of the inventors.

Applicant has made repeated efforts to contact the co-inventor, Bobby J. Edwards, to file a joint application to no avail. Counsel for Applicant has communicated with Edwards, whose actions indicate his refusal to join in the application. In view of Mr. Edwards' unavailability and his refusal to execute the papers required for filing the present patent application, Dr. Van Kampen is believed to be entitled to make such application on behalf of and as agent for Mr. Edwards. An affidavit is attached hereto providing proof of the pertinent facts concerning the unavailability and refusal of the co-inventor to sign the present application for patent.

The name and address of the co-inventor refusing to join in this application is:

Mr. Bobby Edwards
Neotech, LLC
10061 Hwy 22
Dresden, TN 38225

The required fee pursuant to § 1.17 (h) is enclosed.

Date: July 25, 2001

Respectfully Submitted,

By:
